## Year 2 Teacher Assessments

During the Summer Term the final Year 2 Teacher Assessments will be completed. Sat's papers are being used to underpin these judgements. All of the children are working hard and we are very proud of their efforts. The children's individual results will be distributed to parents through the end of term report.

## Marie Curie - Pots of Care

Thank you very much for your generous donations for Marie Curie, Pots of Care. The final amount raised was:

**£290.45**

## Easter Reception Intake

This term we have the Easter Reception intake that have joined us. They have settled in very well, getting used to new routines and appear to be enjoying 'big' school.

## Healthy Schools

As many parents are aware, the School has national Healthy School status. Any items of interest related to this are included in our newsletters. We would like to remind you of our sun safety protocol as hopefully this term we shall be enjoying more good weather!

Your child's health and well-being are very important to us which is why we are:

- Allowing time in class for discussions about sun protection
- Encouraging the pupils to use the shaded areas outside
- Reminding pupils to wear sunhats when playing outside
- Encouraging the use of sunscreen for all children

We hope we can rely on your support. You can help us by:

- Talking to your child about the importance of sun-protection
- Sending your child to school with a wide brimmed hat/sun hat
- Applying sunscreen before bringing your child to school.

Together I hope we can have a happy and safe term ahead!
